CORPORATE LAW & TAXATION

Walder, Hayden & Brogan advises individuals and business entities in all aspects of corporate and tax law. Our corporate attorneys assist clients in choosing and forming an appropriate business form, and ensuring compliance with registration requirements. We draft charters and by-laws for all corporate forms, member agreements for limited liability companies, and agreements for traditional partnerships, limited partnerships, and limited liability partnerships.

Our tax attorneys are well-versed in the latest changes to the tax laws and use that expertise to address corporate and personal income tax concerns, IRS audits, selection of business form, business acquisition, business dissolution, and real estate taxation issues.

We also represent corporate and individual tax payers during civil or criminal tax investigations.
