CRIMINAL DEFENSE

Walder Hayden & Brogan unites a group of seasoned trial lawyers whose experience, trial skills, and results are unrivaled. Our criminal defense teams includes veterans of the U.S. Attorney's Office, the State Attorney General's Office, and the Essex County Prosecutor's Office. Effective criminal defense requires that no stone be left unturned. We work together with skilled private investigators to examine all aspects of the prosecution's case. Our attorneys bring to bear their legal scholarship in developing and advocating creative, and often ground-breaking, legal positions. Often, our most significant victories occur when a client is investigated, but never charged. Our criminal expertise extends to both state and federal crimes and includes all types of offenses. Typical cases involve:

- RICO offenses
- Securities fraud
- Bribery and Extortion
- Official misconduct
- Ethics investigations
- Homicide and negligent homicide
- Drug offenses
- Sex offenses
- Theft and embezzlement
- Environmental prosecutions and investigations
- Computer hacking/sabotage offenses
- Municipal violations
- Motor vehicle violations
